

## 2017 REALTORS Care® Awards: Call for Nominations

Members of the public and REALTORS® alike can nominate a REALTOR® who makes an exceptional contribution to their community for 2018 REALTORS Care® Awards.

---

*“It would be great to see some nominations come from members of the public, as they are in a perfect position to see the work REALTORS® do in this area and, hopefully, to realize the benefits of that work,” says OMREB President Tanis Read.*

---

To be eligible, award candidates must have made a noteworthy contribution that broadly benefits a community organization, which can be a society, sports team, charity, town or district society, or other organization dedicated to benefiting the community.

Eligible candidates must also be a licensed BC REALTOR® and a member of OMREB and at least a portion of their community contributions must have been made within the last two years.

Awards are made annually to REALTORS in each of the three regions (or zones) OMREB serves:

- Central Okanagan Zone (Peachland to Lake Country);
- North Zone (Predator Ridge to Enderby); and
- Shuswap/Revelstoke Zone (Salmon Arm to Revelstoke).

The nomination process is simple: simply complete the nomination form [here](#) and forward it, along with supporting documentation\* to the regional contacts below.

\*Please include, along with the completed nomination form, supporting documentation from the charitable organization with which the nominee is involved. Documentation may include letters of support, records of fund-raising success, or hours committed to a project.

Award recipients are chosen by a selection committee from each of the regions, or zones, OMREB serves.

One of the highest honours a REALTOR® can receive, the REALTORS Care® award recognizes REALTORS® who help make a difference in the communities in which they live and work by volunteering their time and raising funds.
